

No Boat? No Problem.

What is Aqua Boat Club?

Located in beautiful Kelowna, British Columbia, the Aqua Boat Club offers the joy of boating without the big costs and hassles involved in owning a boat.

Membership is structured like that of a golf club. Members enjoy an unlimited number of boat outings and once in the club, your only additional cost is fuel.

How it Works

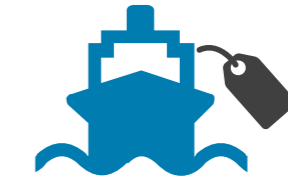

As an Aqua Boat Club member, getting on the water is simple.

Use the Boat Club app to schedule your reservation and select the boat you want to use. Choose from an exciting collection of boats including a 2018 Mastercraft XT20, 2018 Mastercraft XT23, 2017 Cobalt 24SD, 2019 Cobalt R5 Surf, and 2017 Regal 2100 Surf.

When you arrive on site, the boat will be clean, fueled, and ready to use.

COST AND HASSLE OF OWNING A BOAT.
