

HEALTH & SAFETY MEASURES

To ensure the safety of our guests and staff in the Presentation Centre, we will be following the safety precaution measures as mentioned below. If you have any questions, please speak with one of our Sales Advisors.

Practice Safe Physical Distancing

Make sure a distance of 2m (6ft) is maintained between your group and our Sales Advisor at all times. There is a maximum of one group permitted in the Display Home at one time.

Wash & Sanitize Your Hands

Make sure to wash your hands for at least 20 secs. Hand sanitizer will be provided to all guests entering the Presentation Centre and we encourage you to use it before and after touching any surface.

Request Personal Protective Equipment

All guests are required to wear a protective mask during the appointment. If you do not have one, we are happy to provide you with the right protective equipment.

Touchless Appointments Available

If requested, our Sales Team will guide you through the presentation centre and will operate the touchscreen experience, as well as open cabinets and appliances in the display suites for you.

WE TAKE THE HEALTH OF OUR GUESTS
AND EMPLOYEES VERY SERIOUSLY.
IF YOU FEEL SICK, PLEASE STAY HOME.
