

Crane Accident First Year Anniversary

July 12, 2022, 8:00 a.m. PT

Statement Regarding One Year Site Memorial

At Mission Group, we reflect on this day with great sadness and continue to mourn the memory of those who lost their lives in the crane accident one year ago.

These losses will continue to be felt by us all as we think of those men who we remember as child, husband, father, brother, and friend. We especially think of the surviving families and hope they can find peace and comfort in the shadow of their loss.

The construction community in Kelowna is close knit and we still feel the devastating impact of this day.

At 10:55am, horns across Kelowna and elsewhere will sound five horn blasts to mark the loss of five young men. We will follow the blasts with a minute of silence.

Today we remember the five men who died, and we share the tragic loss with our co-workers, the families, friends, and the community.

Mission Group:

Based in Kelowna, BC, Mission Group is the Okanagan's leading community builder. Since 2004, Mission group has been contributing to the evolution of Kelowna's urban landscape, with its 'Build It Forward' philosophy, focused on building value in the community it serves so that the whole community prospers in the future.
