

# NOW LEASING RESTAURANT & RETAIL SPACE

AT AQUA WATERFRONT VILLAGE

## ABOUT AQUA WATERFRONT VILLAGE

Mission Group presents a variety of unique commercial retail units located at Aqua Waterfront Village, a lakefront master-planned community in Kelowna's Lower Mission. With close proximity to neighbouring hotels and residential density set to increase significantly over the coming years, commercial space in this three-tower development will be at the center of the action from sunrise to sunset.

While each neighbourhood in Kelowna has its own distinct draws, the Lower Mission neighbourhood is a destination in itself with sandy beaches, eclectic boutiques and easy access to the Mission Park Greenway. Featuring a proposed public boardwalk and beach, commercial spaces at Aqua will enjoy a high volume of foot traffic from residents and visitors alike, as well as great exposure to vehicles on Lakeshore Rd.

- ✓ The first phase of construction on the new Aqua Boat Club building is complete, introducing 5 commercial retail units available now for tenant fixturing.
- ✓ The first residential tower with one ground-level retail space is now under construction and is anticipated to be available for tenant fixturing by fall/winter 2024.
- ✓ The second and third residential towers are being constructed in tandem with the waterfront restaurant, with the restaurant space anticipated to be available for tenant fixturing by winter 2025/2026.
