

NO BOAT? NO PROBLEM!

ENJOY UNLIMITED BOATING WITHOUT THE COST AND HASSLE OF OWNING A BOAT

What is Aqua Boat Club?

Located in beautiful Kelowna, British Columbia, the Aqua Boat Club offers the joy of boating without all the big costs and hassles involved in owning a boat.

Membership is structured like that of a golf club. Members enjoy an unlimited number of boat outings and once in the club, your only additional cost is fuel.

How it works

As an Aqua Boat Club member, getting on the water is simple.

Use the Boat Club app to schedule your reservation and select the boat you want to use. Choose from our brand new Mastercraft XT20, Cobalt 24SD, and Regal 2100.

When you arrive on site, the boat will be clean, fueled, and ready to use. Our facility is located at 550 Truswell Road beside the Cook Road boat launch in Kelowna's Mission.

Owning a boat vs. Aqua Boat Club

When you do the math, it's easy to see why the Aqua Boat Club is not only hassle free, but much more cost effective (from a cash outlay perspective) than boat ownership.
